Winter 2020

Happy New Year everyone! Let me start by saying a huge thank you to all our lovely members new and old for all your support, our club has never felt stronger and we are planning another brilliant year of shows and clinics. Membership is at record levels and we are able to use our funds to invest in more clinics, new jumps and equipment.

Last year saw the start of our new Winter Shows and Dressage League at Hilton Park Indoor Arena, which has been a big success and we have been blown away by the record numbers of entries. The Winter season isn't quite over yet so keep coming to collect your points, the dates of all our winter shows, dressage and clinics are on the next page and regularly updated on our website and Facebook page.

Last year we sent members in teams to local dressage and show jumping events and came home with rosettes and prizes, we know you would love to do more team events this year so look out for opportunities on our Facebook page.

We had great feedback from our end of season presentation evening and we are busy organising one for the winter league, details on the time and place will be posted shortly.

All the proceeds from our next show at Hilton on the 19th January 2020 will go towards Adele's Princess Wish charity, as well as the usual classes with Double Points we will be holding a bake sale so come down for a cake and help raise money for an amazing cause!

As always we need volunteers to help out at clinics and shows so please get in touch if you think you could offer any help, even if it's just picking up poles or helping serve coffees.

We hope you enjoy the rest of the Winter season and we can't wait to see you back at Stirchley in April!
