Spring 2021 Newsletter

Welcome Wrekin North members new and old! After an uncertain start to the year we are very pleased to welcome you back to the show ground with a packed schedule of events in 2021! Our long awaited first Open Show of the year kicks off on April 25th and it is now easier than ever to book and pay online with our new improved booking system, all entries will be pre-book only this year to ensure the safety of club members and the committee.

Our early bird membership offer has been hugely popular so far, if you haven't rejoined yet this will end on the last day of March so take advantage while you can as membership offers huge savings on both clinics and competition entries (currently discounted membership is £15 for Seniors and £10 for Juniors).

We are pleased to say that despite interruptions to the 2020 schedule the club had a very successful year with well attended shows, clinics and virtual competitions where we were able to. Committee have had the pleasure of reinvesting profit made last year into jumps and facilities for our members to make the showground even better including new cross country fences and hiring a commentary box and timing equipment!

We know that lots of you have been enjoying our virtual dressage classes at home and we are excited to announce that the Dressage League will be returning to Hilton Park Arena for the Summer with the first date being the 29th May.

Committee have been working very hard behind the scenes to bring a new and exciting Mini Hunter Trials to the showground for both junior and senior members this year, perfect for young, nervous and novice riders or those that just need a kick start to the season after the extended Winter break! Our first clinics and trials for this course are now fully booked for both days in April, however if you want to be put on the waiting list there is a form on our website or alternatively look out for information on a second round later in the year.

Lots of members have been keeping in touch throughout lockdown through our social media and we have loved seeing your pony antics, remember to tag the club on Facebook or Instagram so we can see them and feature them on our website, pages and of course the newsletters!

A final note to say that anyone who would like to join our committee or volunteer at any of the events this year please get in touch, all help is very much appreciated! We hope you enjoy the range of events we have organised for you this year and wish you a successful and safe 2021 with your horses and ponies.
